

# **HEAVY WEIGHT BEDMAT**

***Durable Protection  
for your Truck***

***Strong, Stylish, Smart***

*ProTecta Heavy Weight Bedmat provides superior abrasion resistance and tear strength. Virtually indestructible, ProTecta Heavy Weight Bedmat can take the punishment of daily use in harsh environments, including most chemical spills. Manufactured from Nyracord<sup>®</sup>, a high-strength, cord-enhanced rubber compound, ProTecta bedmat will not rust, crack or break—even in extreme temperatures.*

# HEAVY WEIGHT BEDMAT

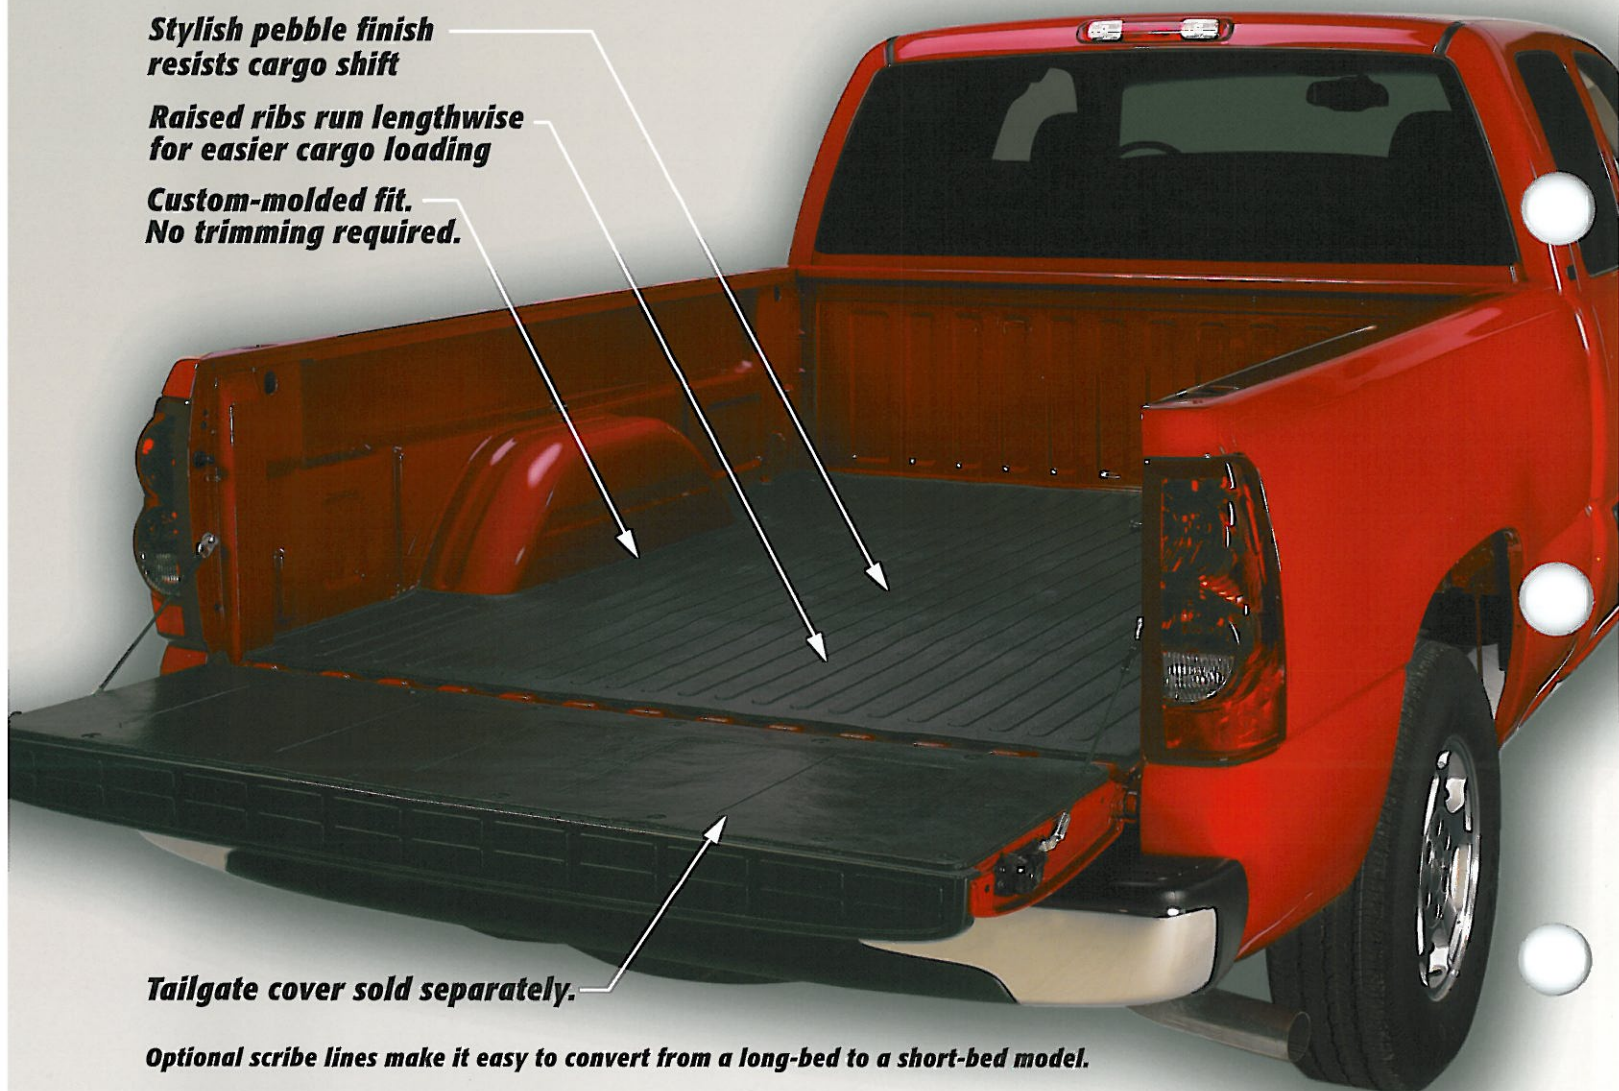

## Extra Thick for Tough, Durable Protection

Safeguard your truck and your cargo.

*Stylish pebble finish  
resists cargo shift*

*Raised ribs run lengthwise  
for easier cargo loading*

*Custom-molded fit.  
No trimming required.*

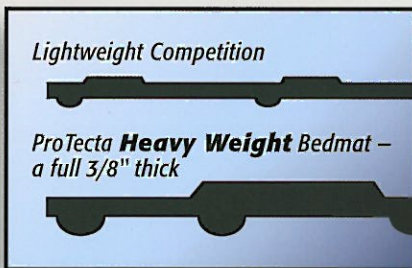

*Tailgate cover sold separately.*

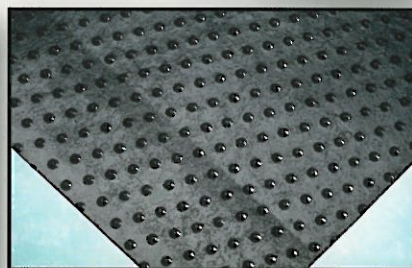

*Optional scribe lines make it easy to convert from a long-bed to a short-bed model.*

**Enhanced Pebble Finish**

**Extra thickness – a full 3/8 inch – provides up to 50% more protection than other bedmats.**

**Knobby underside promotes aeration and drainage to keep truck bed dry, helping to prevent rust and mildew.**
