HEAVY DUTY MUD FLAPS QUARTER FENDERS ACCESSORIES

For over 50 years North America's largest truck manufacturers and aftermarket parts distributors have trusted **Koneta** and **National Rubber Technologies**, both KN Rubber companies, for dependability and proven performance. Our products minimize spray, improve safety and withstand the rigors of the heavy-duty trucking environment, both on and off the road.

KN RUBBER

NYRACORD® RUBBER PREMIUM MUD FLAPS

Nyracord® Rubber is a premium rubber material combined with sturdy fibre for consistent durability. Nyracord® is engineered for dependability on the open road.

Steel-Reinforced Anti-Sail Mud Flaps

This premier mud flap combines the strength of steel with Nyracord® Rubber. Designed for ultimate performance and driver safety.

Product No.	Size
012424	1/2" x 24" x 24"
012430	1/2" x 24" x 30"
012436	1/2" x 24" x 36"

◀ Profile diagram showing thickness

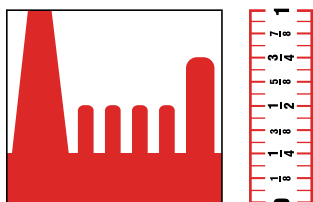

Reinforced with two steel bars, Anti-Sail Mud Flaps are virtually indestructible. ▶

Anti-Spray Mud Flaps

Anti-Spray / Anti-Sail Mud Flaps feature water-collecting projections for unique flow control and can improve visibility as much as 50 percent.

Thousands of finger-like projections on the tire side of the flap collect and channel spray away from the tires and back down to the road.

Ultra-Rubber Mud Flaps are available in custom colours and sizes. Contact customer service for more information.

This original patented design features smooth curves and rounded edges to hold spray and stones to a minimum. Two attractive styles to choose from.

QUARTER FENDERS

Quarter Fender Kits

These classic fenders are the benchmarks for the trucking industry!

Our unique, patented design and engineering give our smooth, curved fenders a clean finish. No exposed braces, brackets or bolts—so they are easy to keep clean and polished. Rounded edges on the sides hold spray and stones to a minimum.

Product No.	Description
203000	Poly Ultra-Rubber Fender Kit, black
523000	Stainless Steel Fender Kit, mirror finish

Quarter Fender Kits include two quarter fenders, two poly extensions with Koneta logo, extension mounting hardware and clamp kit. Mounting options not included.

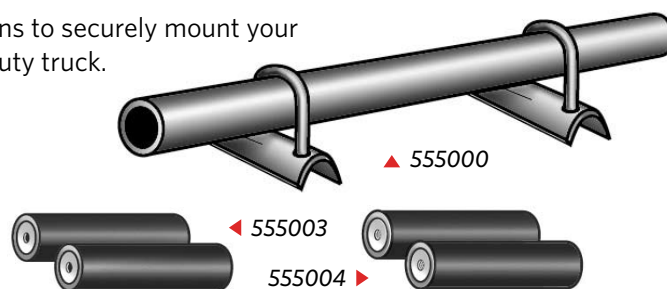

◀ **Black Ultra-Rubber**
The most durable poly fenders available.

Stainless Steel ▶
Attractive, durable protection that won't peel or rust.

Mounting Options

Choose from three configurations to securely mount your quarter fenders on any heavy-duty truck.

Product No.	Description
555000	Cross Mount Kit, including U-bolt clamp assembly
555003	Stub Mount Kit, plug
555004	Stub Mount Kit, plug with lock nut

SYMAR® RUBBER MUD FLAPS

AV Mud Flaps

Symar® AV Mud Flaps carry with them a reputation of high quality at the right price. AV Mud Flaps are fibre-reinforced for superior durability.

Product No.	Size
1424AV	5/16" x 24" x 24"
1430AV	5/16" x 24" x 30"
1436AV	5/16" x 24" x 36"

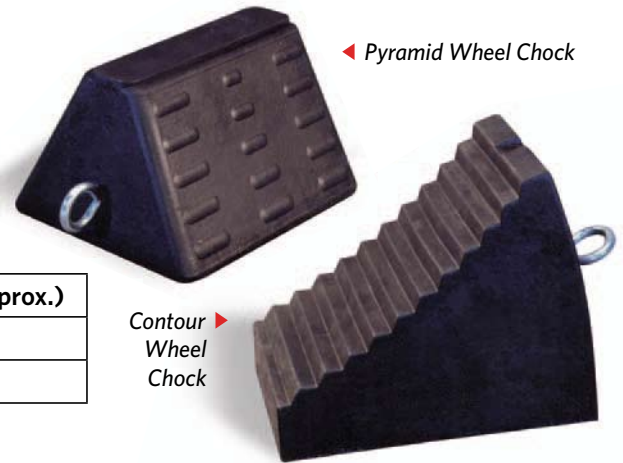

ACCESSORIES

Wheel Chocks

Constructed of fibre-reinforced rubber to hold the line, these wheel chocks are OSHA and DOT approved to ensure your trailer will not roll while parked. Each wheel chock features an extra-large eye bolt for added security and ease of handling. These high quality wheel chocks will not corrode or crack, even in the most severe weather conditions.

Product No.	Size / Description	Weight (approx.)
430030	7.75" x 9.50" x 5.63" - Pyramid Wheel Chock	8.0 lbs.
430040	9.50" x 6.50" x 7.75" - Contour Wheel Chock	10.0 lbs.

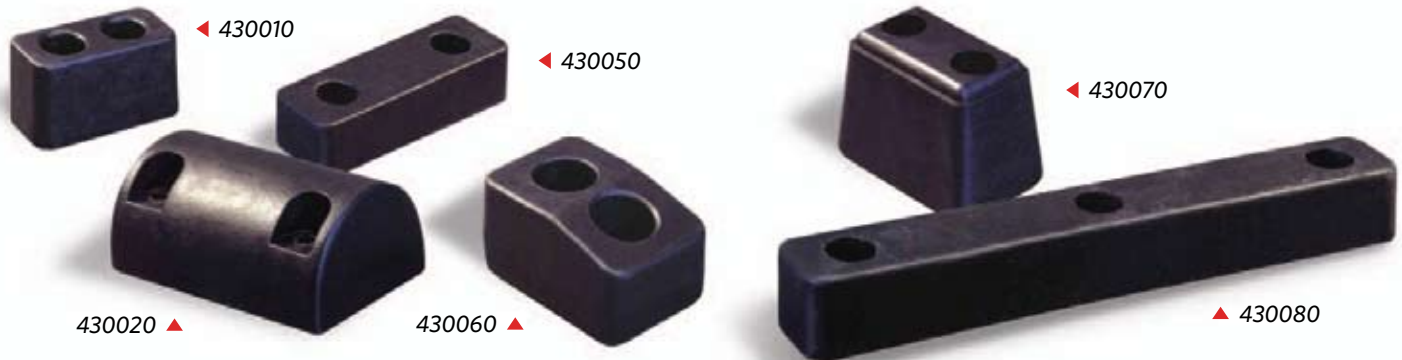

Heavy Duty Dock & Body Bumpers

Made from fibre-reinforced Nyracord® Rubber for extended service life. Available in various sizes to meet your needs. Recessed 1/2" diameter bolt holes help protect vehicles and structures from damage on impact. Rounded corners improve durability by reducing the chance of tearing or breaking.

Ideal for: truck and trailer bodies, loading docks and bays, and heavy equipment and material handling areas.

Products not shown to scale; see dimensions at right.

Product No.	Size (L x W x H)	Weight (approx.)
430010	6.00" x 3.00" x 3.50"	2.0 lbs.
430020	8.00" x 5.50" x 3.50"	4.5 lbs.
430050	8.00" x 2.50" x 2.00"	1.5 lbs.
430060	6.00" x 4.00" x 3.25"	3.0 lbs.
430070	5.00" x 3.25" x 3.50"	1.5 lbs.
430080	16.00" x 2.00" x 2.00"	3.0 lbs.

Koneta Inc. and National Rubber Technologies Corp. are world-class vertically integrated manufacturers of engineered rubber and plastic products made from both recycled and new materials. We have over 120 years experience in designing and developing injection molded, compression molded, and die cut components for the automotive, heavy truck, industrial, construction, flooring, agricultural and transportation industries.
